

Submitter:	Cornelius Matteo
On Behalf Of:	HB 4134
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4134

The “1.25% for Wildlife” bill (HB 4134) is a commonsense, bipartisan solution that would help safeguard Oregon’s wildlife for generations to come. By adding just a 1.25% increase to the state’s transient lodging tax, this bill would dedicate funding for wildlife coexistence efforts that reduce retaliatory killing, including of wolves, and strengthen anti-poaching efforts to help reduce illegal wildlife killings.
