Measure, Appointment or Topic: HB4145

Thank you for the opportunity to testify. I respectfully oppose HB4145. This bill is just rewriting the measure 114 which still has not been put in place because of it not being constitutional.

The updates to the pricing and timeline show that this is just an attempt to make it more difficult to attain a firearm for law abiding citizens.

Also the extension of the timeline to put it in place also means that there is not a clear path to put this plan into action.

Lastly nowhere in this bill is there any plan to the cover the fiscal impact that will be required if put in place.

These are just a few points I have time to touch on at this time. Please take these things into consideration when making your decision on this bill.
