

Submitter: Randy Wilhelm  
On Behalf Of: American citizens  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB4145

This bill is unconstitutional. It goes directly against the second amendment of The United States of America. The second amendment explicitly states shall not be infringed.

This bill is meant to delay the rights of citizens to exercise their second amendment. It is unconstitutional and will do absolutely nothing to stop a criminal from committing crime.

It is really that simple. Stop removing our constitutional rights. A right delayed is a right denied.

Sincerely, Randy Wilhelm
