

Submitter:

Lori Kuebler

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

As an Oregon resident and avid outdoors person, I am urging you to pass HB4134 to fund vital wildlife programs and preservation. Outdoor activities and beauty are a huge draw for tourism and environmental issues should be extremely important to all.

Coexistence with our wildlife neighbors is important for a balanced ecosystem and existence.

Thank you.
