

Submitter:

Linda Davis

On Behalf Of:

Committee:

House Committee On Health Care

Measure, Appointment or Topic:

HB4127

The public should not be forced to provide monies, tax dollars, to an organization that kills unborn babies in any way. This is against our constitutional rights and religious beliefs. However the politicians want to word this bill, it is forcing people, no matter what their wants or beliefs, to provide for killing babys, or as the politicians word it, "providing abortions".
