

Submitter:

Matthew Habel

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

To our elected officials,

Please help to make our communities safer by continuing to establish common sense gun safety laws. There is a world we can create where the 2nd Amendment is protected while also protecting each other. Gun violence can be stopped if we work together. Please support HB 4145!

Thank you,  
Matthew Habel
