

Submitter: Deborah Moynihan

On behalf of:

Committee: House Committee On Health Care

Measure, Appointment or Topic: HB4127

I am opposed to this bill. I do not like the culture of death Oregon has been promoting. I do not want Oregon to be a place for "Death Tourism." Oregon already spends too much money on providing abortions, gender transition, and "Physician Assisted Suicide." This state pays for residents of other states to come here. What are we doing? We need the money for our own people! How about encouraging life, for a change!
