House Committee On Health Care

Measure, Appointment or Topic:

HB4127

I am opposed to the forced contribution of my tax dollars that are used to commit murder of innocent or unwanted human beings in, or out, of the womb. Taxpayers should not be forced to assist any person in the commission of an immoral or unethical act or process. Abortion is a choice on an individual basis alone. The cost and consequences must be borne by those who choose such radical methods of birth control.

Please represent all Oregonians equally! If you continue to make abortion legal, it is incumbent upon you to at least not fund it using opposing constituent taxes.

Thank you!
