Greetings,

I am writing in support of HB 4153 a sensible streamlining of revenue sources for small farms across Oregon. I am someone who loves the agritourism in Oregon. I am always so pleased to go spend money directly with farmers, and make a point to bring guests and visitors to Oregon along with me. This bill supports small farms by continuing the many traditions of farm visits, and makes clearly legal so many of the best parts of farm to table style vending. Thank you for your efforts to make this bill law.
