HB4145

huhboy...Well Queen Tina didn't get her tax-free spending spree gifted her, so the next best thing to scratch that itch is punishing the Tax Paying piggybank...errr...Citizenry, by more unneeded unnecessary overburdening overreaching into the civil rights of all Oregonians, legislation. Oh yeah, it EXEMPTS RETIRED LAW ENFORCEMENT AND PAROLE OFFICERS FROM THIS SEDITIOUS ABUSE OF YOU AND ME.. That's right folks, all law enforcement officers and parole officers, including retirees are exempt from Tina's snit fit. This is juvenile obstenancy on steroids and should be round filed without prejudice
