HB4145

Please vote no on this measure. This law is unconstitutional in that it allows certain civilians the benefit of standard magazines for firearms while denying all others the same privilege. Clearly, all law abiding citizens who have not committed a felony ought to be entitled to standard capacity magazines. Democrats like to pretend standard capacity magazines are so called "weapons of war". But this law carves out exceptions for an arbitrary class of citizens. Please do not infringe on our constitutional rights.
