I oppose his house Bill due to the fact that it violates my second amendment, a right I don't need a permission slip from my local government on using my constitutional right this house, Bill will not address anything for the crime. All this Bill does is target law abiding citizens and does nothing for criminals criminals don't care what laws you make criminals are gonna do what criminals do and that is break laws and hurt people. thank you for your time and have a good day sincerely, Joel Turner.
