Measure, Appointment or

HB4153

Topic:

I support HB 4153 because I value local farms, agritourism, and the opportunities farms provide Oregon families. One of our family's very favorite places in the world is Topaz Farm on Sauvie Island. It is a sacred space to connect to the land, learn about animals and farming, access local organic food, enjoy music and farm-to-table meals with friends, create holiday memories, and so much more. Please help them, and other farms like theirs, continue to thrive with the passing of HB 4153.
