

Submitter:

Debra Watson

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

I oppose. If you need to make changes to this law it needs to go before voters. You politicians are not trustworthy in making decisions with my money. I am opposed to giving you any more of my tax dollars until Oregon recinds all sanctuary laws and policies and stops aiding illegal aliens and prioritizing them over citizens. Your continued use of my tax dollars constitutes compelled speech. Send this to a vote of the people or drop it altogether.
