

Submitter:

Leon Fossett

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

HB 4145 locks the measure 114 permit-to-purchase system into law, risking costly constitutional lawsuits while turning a constitutionally protected right into a government permission slip. I don't think criminals are gonna line up to get permits, you are only regulating law abiding citizens who have a fundamental right to protect ourselves and our loved ones while criminals continue to be criminals. Please oppose.
