Committee:

House Committee On Health Care

Measure, Appointment or Topic:

HB4127

I am opposed to the forced taxation of Oregonians who want nothing to do w/ the cold-blooded murder of children.

And I find it disgusting that the democrat party uses labels like "House Committee on Healthcare" to hide behind

rather than speak the truth that HB4127 will funnel additional taxpayer dollars toward funding the destruction of innocent human life. If passed, I consider this HB a crime against humanity.

Thank you!
