

Submitter:

Justin Phillips

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

Measure 114 is unconstitutional. It is yet another tax against law abiding citizens who utilize their 2nd Amendment rights under the constitution. It unfairly punishes low income individuals who, through this proposal, would need to pay even more money to have access to their constitutional right to bear arms within the state of Oregon.
