HB4145

Thank you for the opportunity to provide testimony today. I'm here to respectfully opposed OREGON Measure, 114 in the House bill 4145. I believe these politics, while well, intended, place and undo burning on Law-abiding, Oregonians. Without address in the root cause of violent crime, Public Safety is shared goal, but it must be done right and not affected the constitution of the United States and OREGON's second amendment. Given the measure 114 is facially unconstitutional based on numerous Supreme Court decisions it is hereby rescinded in all parts. The legislators have an obligation to the people of Oregon to be mindful stewards of our tax dollars. This is a chance to do the right thing into just that. Reject this horrible bill. Thank you.
