Topic:

Dear Oregon Legislators,

I strongly support House Bill 4153. I run a Wagyu cattle ranch and this spring I'm hoping to add a cut flower u-pick. I'd love to expand—maybe add agritourism, sell direct-to-customer bouquets, offer a few workshops, or host a few small events—without the government burying me in red tape and pointless rules that just slow me down. This bill would actually help instead of hinder, letting me grow my business on my own terms and keep Oregon farming strong.

Please pass House Bill 4153.

Sincerely,

Stefani
