HB4125

Oregon Tax Payers work all year round, pay taxes to the State, who as far as I can tell is making quite an impressive run at mismanagement. I oppose this bill. the state government should not be given any more funds with which they can mismanage. The kicker is a return of taxes that are in excess, they should be returned to the taxpayer, end of story. As well as during these hard cost of living times every little bit matters and that kicker can make a big difference to a lot of families in need. I oppose this bill
