House Committee On Revenue

Measure, Appointment or Topic:

HB4134

Dear Representative,

Please support and vote yes on House Bill 4134 to support habitat for at risk wildlife. Tourists will still come to visit beautiful Oregon if there is a 1.25% increase on their hotel or motel bill. After all, they come to see our beautiful state and this will still be lower than what most other states charge.

Thank you,

Melinda McCoy
