HB4134

Dear House Committee,

Thank you for your service to our beautiful state of Oregon.

Looking at HB 4134, I see a smart and fair and stable funding plan to protect one of Oregon's most valuable assets - our outdoors and wildlife.

We have seen a substantial decline in mule deer on our annual family hunting trips.

The small lodging tax asks visitors to pitch in.

It is a bipartisan bill. Please support it.

Sincerely,

Janet Navarra
