Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1551

Senators Gordon and Nash - I fully support SB 1551. As the wife of a former wild land fire fighter, I have heard story after story of the difficulty and danger of fighting wildfires and the devastation left behind. And in light of the disasters of the 2020 fire season in Oregon and the horrible loss of homes in Los Angeles last year, legislation such as SB 1551 only makes sense. No HOA or neighborhood judgement should be able to limit what a houseowner should do to limit their exposure to fires. And of course, if your neighbor's house is burning, yours is also in greater danger. Please pass SB 1551.

Thank you.
