Measure, Appointment or Topic: SB1590

Senators Golden and Nash - Please pass SB 1590. The current federal government cannot be trusted with keeping our treasured public lands, "public". Greed and graft is rampant in this administration and we in Oregon cannot assist in letting our national forests, grasslands, parks, and other natural areas be sold off to the highest bidders. Please protect what makes Oregon so special. Prohibit any Oregon public body from assisting in turning over our federal lands. Thank you.
