On Behalf Of:	women harmed by abortion
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4088

I oppose HB 4988. If abortion is simply women's healthcare as its proponents describe, it should have no special protections. The people who will suffer from this illconceived legislation are women and their unborn children and they will have no way to obtain justice if they are harmed by a provider. Please voot no on this bill.
