

Submitter:	Kevin Goodrich
On Behalf Of:	Oregonian Taxpayers
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4145

Was the opportunity to submit testimonies available PRIOR to this bill's first reading, as in before today?? If not, why not?

Secondly, defending innocent victims against violent aggressors on Oregon soil is a God-given RIGHT for all Americans to preserve, protect, and defend life; it is NOT a privilege for Bolshevik lawyers/judges to unconstitutionally revoke.

Finally, those who deprive Oregonians under the color of law is a federal crime - therefore, vote accordingly, knowing that indirectly causing injuries to one's constituents will clearly have legal consequences.
