On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4145

I am stongly opposed to HB 4145. This proposed legislation is written in violation of Oregon's constitution: Section 20.

Equality of privileges and immunities of citizens. No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.

HB4145 is a clear violation of this section of our constitution.

Furthermore, I urge the repeal of Measure 114, another unconstitutional law that this bill is designed to modify. Neither should stand.

Thank you for your consideration.
