

Submitter:

Scott DeCarlo

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I oppose HB4145 This and 114 should never have been put on our ballot the Oregon Secretary of State violated her oath by putting it on the ballot . Now to try and ram threw another unconstitutional bill calling yet another "Emergency" . The second amendment says shall not be infringed , this infringes .
