Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

This bill is an absurd waste of time and a flagrant attempt to impose measure 114, which is unconstitutional and still in court. Criminals do not obey gun laws, or any laws, hence why they are criminals. The supermajority needs to cease trying to rule over the citizens of Oregon.

You serve at the pleasure of the voters, it's time to remember that.

Quit wasting time on nonsense and focus on meaningful issues.
