Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

Oregon government has enough revenue. The problem is spending. This is why we see near-billion

dollar mistakes made by the Department of Health, Transportation and other agencies

in audit reports. The lack of attention in controlling waste, fraud and abuse is what is ailing State Government – not blocking people from over-collected surplus tax dollars being returned to them. Hands off the taxpayer's money!
