Topic:

Please please please support farms like Topaz. We have been going for years but especially since Jim & Kat took over. We take our kids, learn about farming, animals, play with frogs. We donate our Christmas tree, buy Thanksgiving dinner, holiday gifts, pumpkins. Their summer dinner and concert series are some of the best memories we've ever made. The list goes on.

They are a pillar in our community for so many reasons. I support HB4153. Please help us save not just Topaz, but all the other farms were so lucky to have in PDX.
