HB4125

I oppose HB 4125. Voters many years ago sent a message to the Oregon government to not take and use excessive amounts of tax dollars collected beyond what was already budgeted. This is in the Oregon Constitution. It is, therefore, egregious, for the current legislature to try to write new legislation taking even some of what rightfully belongs to the people residing in Oregon who have paid income tax. It is not lawful or just for the legislature to write more law to take what is not theirs. That is called stealing.
