HB4134

Revenue committee members,

I strongly urge you to support HB 4134 to help protect Oregon's imperiled species and restore their habitat. The 1.25% transient lodging tax is a reasonable amount to collect from visitors that will be used to cover a necessary funding gap. It is critical to help protect Oregon's biodiversity from the numerous assaults on their habitat. This is one avenue to help achieve that goal.

Thank you!
