HB4134

Chair Nathanson and Members of the House Committee on Revenue,

My name is Denise Tschann, I have lived in Oregon for 45 years and love this state and the natural world I find here.. I am submitting this testimony in strong support of HB 4134 with the -1 amendment to increase the state lodging tax by 1.25% and help recover Oregon's most vulnerable fish, wildlife, and habitats.

Oregon is an incredibly special place, and our state's identity is closely tied to its rich natural heritage, including native fish, wildlife, and the habitats that support them.

Oregonians' love for the outdoors is known throughout this country and beyond.

Oregonians like me are proud of our natural heritage and want to see it thrive for future generations.

Long-term dedicated funding to recover our most vulnerable fish, wildlife, and habitats is strongly supported by a majority of Oregonians. I urge you to support this landmark bill, which would dedicate long-term funding to recover Oregon's most vulnerable fish, wildlife, and habitats — all of which are critical for our state's tourism economy. Oregon's robust outdoor tourism economy.

We cannot have a thriving tourism economy without healthy and abundant fish, wildlife, and the habitats that support them. This legislation would ensure we have both.

This is a once-in-a-generation opportunity to protect our natural legacy and rich biodiversity, which make this state so special. Please pass HB 4134 -1 this legislative session!

Thank you for your consideration.
