Resources, and Water

Measure, Appointment or Topic: HB4153

Dear Co-Chairs, Vice-Chair and Committee Members,

I am writing to ask that you oppose HB 4153. My position is similar to that of Ag for Oregon and 1000 Friends of Oregon. This bill negatively commercializes resource lands thereby reducing their primary function. If there are any valid points in this far-reaching bill they would be better taken up during a long session when there is more time for consideration.

Thank you for your time and attention,

John White
