Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

I strongly oppose any adjustments to how the Kicker Rebate is funded. To make any changes in the calculation(s) is to "steal" funds from hardworking Oregonians. The kicker was voted into place for a reason and should not be changed just to fit democrats agendas. Maybe it is time to reign in spending rather than to steal money from Oregonians. Thank you!!
