

Submitter: Marlene Acker

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB4125

By even having such an excess kicker shows legislature management of the budget has no credibility.

All state funded agencies should be audited for fraud and abuse and published in the news.

Until you have a handle on the situation, it's like parents with kid's allowance...if you spend all you had,
you don't get any more.
