HB4145

What part of the Constitutional protections of the 2nd Amendment do you idiots not understand? This is a constitutional issue of right to own... not to be interfered with. This is interfering with the 2nd Amendment constitutional protection... By forcing this bill, you have lost immunity of your status because you have knowingly put forth a unconstitutional bill that breaches the rights of the American People, not to mention the Oregon people. We are now totally tired of your invasion and destruction of our rights. When honest non corrupt voting gets put in place, you people WILL be removed and hopefully criminally charged for your insurrection/sedition of the Peoples rights.

The people are not your slaves... You are not representing the people with your corruption and fraud against the people.
