HB4134

Chair Nathanson and committee members,

I support 1.25% for wildlife because It will conserve and restore Oregon's 300+ vulnerable species and their habitats that support Oregonians livelihoods, quality of life and recreation needs.

It includes stable funding for the Oregon Conservation Corps to keep Oregon's communities safe from wildfire and help build Oregon's workforce.

It will solve a long-standing funding gap for wildlife and habitats, and is widely supported by a diverse group of stakeholders with a presence in all parts of Oregon.

Thank you,

Carina
