

Submitter:

Chace arnold

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

This is an infringement of our rights and a power and money grab! The last thing the over taxed people of oregon need is another permit fee. Plus there are already laws on the books that keep the honest people honest and the criminals will commit crime no matter how many laws that are made. This is an attack and tax on the honest people of oregon that are just trying to protect themselves and thier families.
