Measure, Appointment or Topic: HB4134

As an Oregon resident, I urge you to support the 1.25% for Wildlife bill (HB 4134) to help conserve Oregon's most vulnerable wildlife.

Oregon's wildlife is deeply important to me and is one of our greatest assets—driving outdoor recreation, attracting visitors and supporting a thriving tourism economy across the state.

HB 4134 would fund practical, proven solutions to reduce wildlife conflicts and promote coexistence, benefiting communities and protecting the wildlife that makes this state so special for generations to come. If we can't find a path to coexistence and make room for wildlife, we risk losing them and future generations will never experience the incredible place we call home as we do today.
