

Submitter:

Kolby Woodruff

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

HB4145 violates our Constitutional Rights via the 2nd Amendment. It also violates multiple Supreme Court decisions including Bruen. Our rights matter and when you put them behind a paywall they stop being a rights altogether start becoming privileges. That's not how the Constitution works. We the people demand you remove this bill.
