Committee: House Committee On Revenue

Measure, Appointment or Topic: HB4134

Chair Nathanson and Members of the House Committee on Revenue,

My name is Jesse Robbins and I live in Springfield, Lane County, OR. I am submitting this testimony in strong support of HB 4134 with the -1 amendment to increase the state lodging tax by 1.25% and help recover Oregon's most vulnerable fish, wildlife, and habitats.

I believe that securing long-term, dedicated funding to recover Oregon's most vulnerable fish, wildlife, and habitats is critical to local economies as well as communities and cultures across the state. I urge you to support this landmark bill, which would dedicate long-term funding to recover Oregon's most vulnerable fish, wildlife, and habitats — all of which are critical for our state's tourism economy. Oregon's robust outdoor tourism economy — accounting for 2.6% of the state's GDP — supports 192,000 jobs and brings in \$16 billion in consumer spending. Investing in these resources now will continue to generate more economic opportunities for Oregon's communities in the future.

We cannot have a thriving tourism economy without healthy and abundant fish, wildlife, and the habitats that support them. This legislation would ensure we have both. At a time when the federal government is slashing funds and dismantling policies that protect our vulnerable fish and wildlife and their habitats, Oregon has a chance to set an example and protect our natural heritage. Doing so would make Oregon a national leader.

This is a once-in-a-generation opportunity to protect our natural legacy and rich biodiversity, which make this state so special. Please pass HB 4134 -1 this legislative session!

Thank you for your consideration.

Sincerely,  
Jesse Robbins
