HB4145

I strongly oppose HB 4145.

HB 4145 attempts to "fix and entrench ballot measure 114 while its core main provisions remain controversial and not settled legally. Bringing this back before the courts have resolved these issues risks further legal chaos and taxpayer expense.

Another attempt to push forward with no regard for the will of the people or fiscal responsibility.

I urge you to vote no or even better do not advance this bill to a vote.
