

Submitter:

David Hulbert

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4088

HB 4088 (2026 session) is essential for protecting access to, and privacy of, gender-affirming care in Oregon by prohibiting cooperation with out-of-state prosecutions and shielding local providers. This legislation strengthens the state's commitment to ensuring transgender individuals can access necessary life-saving medical care free from legal harassment or threats, upholding bodily autonomy.

Thank you for your service and for listening to your constituents.
