Measure, Appointment or
Topic: HB4005

Chair Helm, Owens, and members of the Committee,
I fully support this bill. Many professionals in the water well industry work tirelessly to keep and maintain people's water systems, many times after hours and on weekends. Most of these companies are small and multigenerational family businesses that deserve this recognition.

This is a great way to recognize these hard working individuals for their hard work day in and day out.

Thank you for your support and yes vote for our crucial and necessary industry.

Sincerely,

CJ Nugent
