Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

Oregon Law Makers, this bill is Unconstitutional and unnecessary. We have a system of checks and balances that work now for law abiding citizens. This is BAD legislation. Those who are running to maintain their office should be very tuned into the will of the people. Take the Gas Tax Push-Back as an example. Oregon Citizens are going to bring the needed change to Oregon Legislation. This is the beginning of change.
