Democrats in all leadership positions in Oregon and in this legislative body, from George Floyd/BLM/summer of love/mostly peaceful summer/etc. up until now have shown their contempt for and inability to enact law and order and use the national guard when it's needed most. For them to try to create new laws to keep the national guard from being used for its many intended purposes is insane, it's scary, it's reckless, and it tells us all we need to know about this state's continued pursuit to rebel against the federal government and its constitutional republic and the supreme laws of the land (supremacy clause). Leave the national guard alone and allow them to function in the ways they were trained for and follow the laws and constitutional framework.
