

Submitter:

LaNita Hafer

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

Returning the kicker has been part of Oregon legislative history for many years. Return the peoples money! At a time when we weighed down by the excessive tax burden in this state you are going to continue to take the money that should be legally and morally returned? Remember the opposition from the last tax bill – don't ignore your responsibility this time.

Respectfully submitted,  
L. Hafer.
