

Submitter:

Lonnie Woodruff

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

This is becoming ridiculous. The amount of money spent on something criminals will pay zero attention to is beyond preposterous. We have so many problems that need addressed, and this measure impedes constitutional rights, and provides zero safety. Are criminals going to follow this? Will their 57th felony do the trick, to become a better member of society? No. How much money is being spent on this?
